Key: Cases involving alleged abuse occurring, at least in part, during the June 4, 1970 – October 1, 1976 time period.  
The Royal primary policies during this period provide for unlimited payment of defense costs for each claim, provided that the Royal primary policies' per-occurrence limits of liability have not been exhausted for that particular claim through indemnity payments.  
The Royal primary policies also do not have any applicable aggregate limits of liability. The Royal umbrella policies during this period, however, likely did have applicable aggregate limits.
